

As the FCC, your fellow Americans depend on you.
Please be aware of another example of the dangers
of media consolidation.

Sinclair Broadcasting is going to force their stations
to air an anti-Kerry documentary days before the
election. Sinclair uses the public airwaves free of
charge, and is obligated by law to serve the public
interest.

Sinclair's actions show why we need to strengthen
media ownership rules. And we need the FCC to see
to that.

Thank you.
